

Love Is You - Lyrics

V1

I think it's time to give me space
From everything else besides your beautiful face
I know there's things we have to talk through
Prepare for the future, plan one life for two

PCH

But we don't really need to fuss about
I know we're gonna make sure to work it out
If anything, we'll just fight it out
The fight is worth it if it's us against the problem
So, we don't really need to fuss about
I know we're gonna make sure to work it out
'Cause, well

CH

I've been talkin', I've been talkin' about ya
& I've been walkin', I've been walkin' around here
Just singing, singing Elton John for you
'Cause I can't stop, can't stop thinking of love
Love is you
Love is you

V2

The clasp on your necklace, does it ever kiss it's charm?
If so, I hope you know
It's 'cause you've locked in my heart
You're racing through my mind (all day)
Is my mind even mine? (No way)
You've taken it over, not a fragment untouched by your smile

PCH

Nothing we really need to fuss about
I know we're gonna make sure to work it out
If anything, we'll just fight it out
The fight is worth it if it's us against the problem
So, we don't really need to fuss about
I know we're gonna make sure to work it out
'Cause, well

CH

I've been talkin', I've been talkin' about ya
& I've been walkin', I've been walkin' around here
Just singing, singing Elton John for you
'Cause I can't stop, can't stop thinking of love
Love is you (love is you)
Love is you (love is you)
Love is you (love is you)
Love is you

BRIDGE

Nothing we really need to fuss about
I know we're gonna make sure to work it out
If anything, we'll just fight it out
The fight is worth it if it's us against the problem
So, we don't really need to fuss about
I know we're gonna make sure to work it all out
'Cause, well

Oooh

CH

I've been talkin', I've been talkin' about ya
& I've been walkin', I've been walkin' around here
Just singing, singing Elton John for you
'Cause I can't stop, can't stop thinking of love
Love is you (it's you)
Love is you (it's you)
Love is you (it's you)
Love is you (Oh)

OUTRO
